

**INCREASE SALES AND LOWER CREDIT CARD PROCESSING COSTS.**

# Accept and Approve Credit Card Transactions Virtually Anywhere.

More than a phone, today's smartphones combine E-mail, contact management and web access all in one handy unit. Add a state-of-the-art

*"We recently held a warehouse clearance sale at a location without telephone or internet connectivity. Big Sky Commerce quickly provided us with a wireless, hand held credit card processing device that helped us pull off the event without a hitch. We could not have done it without Big Sky Commerce's resourcefulness, sense of urgency and dedication."*

John T. Baker; Thos. Baker LLC, [www.thosbaker.com](http://www.thosbaker.com)

## **MOBILE CREDIT CARD PROCESSING: ACCEPT SALES WHEREVER BUSINESS TAKES YOU.**

printer and magnetic stripe reader, and your mobile phone becomes a powerful, wireless, hand-held credit card processing solution. Whether you're having a sale at a remote location, or simply taking your products on the road, secure mobile transactions provide a new standard in convenience. Big Sky Commerce does all the technical set-up for you, and your easy-to-use mobile payment system arrives ready to take orders. Mobile transactions also offer a number of features that reduce expenses and minimize the risk of fraud and expensive chargebacks. Now that's smart.

### **SELL ON THE GO**

- Provide customers with additional payment options.
- Increase sales and enhance customer service.
- Less expensive than paper-based payment methods.
- Customize transaction receipts with your logo and information.

### **MINIMIZE RISK**

- Printed receipts provide payment verification and chargeback protection.
- Transaction data is transmitted and managed in compliance with industry standard 128-bit Secure Sockets Layer (SSL) security protocols.

### **NEVER MISS A SALE**

- Easily and instantly process all major credit cards.
- Simply swipe or enter basic credit card information into your smartphone and transaction authorization is received in seconds.
- Transactions are automatically settled daily, and funds are deposited into your business checking account within 2 business days.
